INSTRUCTOR

Prof. Jean-Paul A. LOUISOT, ARM, FIRM

Professor Jean-Paul A. LOUISOT, ARM, FIRM, holds PhD in Management Sciences (Université PARIS 1 Panthéon Sorbonne – 2014), a mining engineer degree, a Master in Economics and an MBA from the Kellogg School of Management. He has worked in risk management for over forty years, as a broker, an underwriter and a risk-manager.

Since 1993, his activity is focused on teaching and coaching post graduate students and risk

management professionals, while still acting as a part-time risk manager.

As curriculum director for CARM_Institute, Ltd, he supervises the ERMP (Enterprise-wide Risk

Management Practitioner) and EFARM (European Fellow in Applied Risk Management) programs. After nine years at Paris 1 Panthéon Sorbonne University, he now teaches postgraduate courses in Risk Management at the Institut Catholique de Lille. He is a frequent speaker in professional conferences in Europe, in Australia, and in the USA. He is currently developing the material for the European designation, Rimap, promoted by FERMA.

He has published a number of articles and studies on risk management and developed the ERM course for The Institutes (Malvern Pa, USA). His publications include:

- An International Comparison of Financial Consumer – Edited by Tsai-Jyh Chen – Springer Nature Singapore PTE – Chapter 6 – French Market – p 165/200

- Regards croisés sur la gestion des risques en entreprise – édité par Jean-David Dars et Nicolas Dufour – Chapitre 2 – De l’achat d’assurance à l’ERM : importance de la gestion de la réputation – GERESO (p. 29-53) Editions Le Mans, 2016
- ERM & Stratégie selon la norme ISO 31000 – AFNOR, Paris 2016
- Enterprise Risk Management : Issues & Cases – Edited by Jean-Paul Louisot & Christopher Ketcham – Wiley & Son 2014
- Risques & Catastrophes Urbains : la réponse des politiques publiques – contribution : Vers une nécessaire résilience – Colonel Jean-Claude Gallet(BSPP) / Jean-Paul Louisot(Paris 1) – Editions Lavoisier Juillet 2010
